- Each child will play a minimum of 2 innings defensively and players will bat in a Round Robin format.
- Game length will be six (6) innings or 2 hours.
- Any runner leaving the base before the pitched ball passes home plate will be given a warning by the umpire on the first infraction. The umpire will immediately inform the coaches. Upon the second infraction by either team the runner will be called out.

- Refer to UPLL website <www.up-littleleague.org> for the current, complete version of the UPLL Internal Rule Book.

Highlights for **Minor BB**

- **Pitching** – The requirement for a 9 year-old to pitch has been eliminated. The new Little League regulation on keeping pitch count will dictate how long a pitcher may stay in the game. The opposing team will keep track of pitch count and their numbers will be official. It is suggested that teams compare numbers between half innings.
- **Runs per Inning** – 5 run maximum per inning except that the last announced inning is unlimited runs.
- **Infield Fly** – in effect.
- **Base Stealing** – No stealing of second base. After the runner has earned 2nd base he can attempt to steal 3rd base. The catcher must throw the ball and attempt to get the runner out. On the steal attempt, if there is a passed ball, the runner must stay at third base and cannot advance to home on the overthrow. Stealing of home plate will take effect on May 7th. After the runner has earned 3rd base and the pitcher takes the mound for the next pitch, the runner can attempt to steal home. If there is a runner on 1st base they may not advance to 2nd on the play at the plate or passed ball. No leads allowed in LL baseball.
- **Batting** – bunting is permitted.
- **Umpires** – Each game will have a pre-assigned umpire from another Minor BB team. Home team supplies umpire if no one is pre-assigned. It is acceptable to umpire from a spot located behind the pitcher and slightly toward the 1st base side. Umpiring from this position will not require the mask, chest protector and shin guards that are used when behind the plate.
- **Farm System** – The purpose of the farm team system is to allow Midget AA League 8 year-old BB players to be called up to a Minor League game as needed, and to gain experience at the higher level of play. An 8 year-old is not allowed to pitch in the Minor BB division, unless they have earned a roster spot .
- **Play-Offs** – At the end of the regular season, an internal double elimination tournament will be held to determine the division champion. Team play-off positions will be placed into the appropriate bracket position in accordance with the final results of a lottery draw. If there are an uneven number of teams, then a bye will be awarded by lottery draw.
