

February 2010

Dear Upper Providence Little League Sponsor:

Thank you very much for your interest and willingness to sponsor the youth of our community in 2009. The Upper Providence Little League is a fully chartered, non-profit organization that relies on sponsorship for everything from field maintenance to players' uniforms for approximately 700 children. Your sponsorship not only helps the children but also brings advertising to your business or organization.

Please find attached the sponsorship contract for the 2010 season. After considering the various sponsorship options available, please check the appropriate line, sign where indicated, and mail with your check to the following address.
